END-OF-YEAR EVALUATION

# EVALUATING WHAT MATTERS MOST

---

At the end of every year, we look at our finances and we set goals for our health, our work, and our home... but do we intentionally take time to evaluate the areas that matter most? The areas where we have been called to show up and do ministry? This end of year evaluation is probably different than any you've ever seen. Its goal is simple: to help you remember your entire purpose in life, so you can plan to be outrageously purposeful as you live for the glory of God and the good of others.

LIST YOUR TOP 3-5 AREAS

## OF MINISTRY

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_
4. \_\_\_\_\_
5. \_\_\_\_\_

These are the places God has you consistently showing up. The places that you would describe as the areas that matter most. Examples would be your home, your work place, the places you serve regularly like your local church or somewhere in your community, etc.

**Here's to 2022, SWHW family.  
Let's make it the best yet!**

**A PRAYER**

# **FOR 2022**

God, help us to be intentional with the people You've placed in our lives, obedient to show up in the places You have us and the places You'll send us, and SO loud about the message of hope You've sent us with.

Help us to love You.

Help us to love our neighbors.

And help us to make disciples as we go.
