The more people make their services about passive income, the less connected they feel to the mission.

What are we being fulfilled by?

Jesus called us to go make disciples.

In order to be a disciple who make disciples, it's going to get messy and you will have to go deep.

Stay connected to people.

Seeing each soul is different than seeing each person.

If you look at their soul, you will look at the differently.

If you see each soul but you don't change your perspective, it will be crushing to you.

You cannot do this on your own.

As believers, we have the opportunity to go deep.

John 9:1

As he passed by...

The works of God might be displayed...

Jesus took time to see people.

What does your day to day look like? Are your eyes open to the people around you?

Don't make it a rule, make it an obedience. Ask the Holy Spirit.

Acts 3:1

Perspective shift for Peter and John.

In order for our perspective to change, we have to understand that what Jesus wants us to do is see every single person.

See people and brothers and sisters in Christ no matter what.

We also have to make sure we actually looking.

Vs. 4 - Peter directed his gaze

They saw each other.

When we change our perspective, we look at their soul.

Love brings about action. Action does not bring about love.

There is a response to what you love.

Jesus died on the cross because He loved us that much.

Love God and love people first.

You will not love people if you do not rightly love God first.

God is love.

If loving God is hard for you, then you might not truly understand who God is.

Study God.

When you study God, you will understand His love.

When you love God back, your response will be to love others. A deep rooted love for people.

You will love people in a way that points people to Jesus.

Meditate on Scripture.

Practice the presence of God.

See each soul because we love God and understand His love that we can't NOT see each soul.

Somebody's soul is worth it.
